

**Minutes of Central England Quakers**  
**Meeting for Church Affairs**  
**Held at Coventry Quaker Meeting House**  
**on 19<sup>th</sup> October 2019**

**Clerk: Stella Roberts**

**Assistant clerk: Alison Ironside**

Elders on duty: Barbara Clarke & Diane Stobbs (COV)

### **2019.090 Opening Minute**

Our meeting began with a period of silent worship during which we heard read to us

*Quaker Faith & Practice: Chapter 23.48*

*God comes to us in the midst of human need, and the most pressing needs of our time demand community in response. How can I participate in a fairer distribution of resources unless I live in a community which makes it possible to consume less? How can I learn accountability unless I live in a community where my acts and their consequences are visible to all? How can I learn to share power unless I live in a community where hierarchy is unnatural? How can I take the risks which right action demands unless I belong to a community which gives support? How can I learn the sanctity of each life unless I live in a community where we can be persons not roles to one another?*

*Parker J Palmer, 1977*

### **2019.092 Membership Matters**

#### **Application for Membership**

We have received an application for membership from David Foxall, an attender at Sutton Coldfield Local Meeting.

We ask Nominations Committee to find names of visitors for David

## 2019.093 Memorial Minutes

We have received a memorial minute from Bull Street Meeting **regarding** John Roylance and one from Coventry Meeting **about** Anne Burkett. Extracts from these minutes have been read to us and we agree to send them on to Elder/Overseers Support Group.

## 2019.094 Ecobirmingham Report

We have received from Michael Addison, director of ecobirmingham, a financial report for the period July 2018 to March 2019, representing the transition period of the charity from being the Northfield Ecocentre project set up by Central England Quakers in 2009. We have also been sent an Impact report that describes the many activities in which the newly independent charity is involved and looks forward to playing a key role in helping Birmingham towards becoming a sustainable city. The report thanks Central England Quakers for help with the transition and continuing support and expresses a commitment to retaining the 'ethos and values' of ecobirmingham's Quaker heritage.

Michael has spoken to this report and answered questions. Christine Bagnall has described her involvement as a Quaker and a board member with the organisation. We thank them both for their input today.

Ministry reflected on the long-standing Quaker response to perceived injustice from slavery, through banning the bomb, to the current climate protests. We heard that Cotteridge Meeting are supporting a Friend who has been arrested at Extinction Rebellion protests in London.

## 2019.095 Minutes Received from Local Meetings

Two Local Meetings are requesting funding from Area Meeting toward projects of particular concern which they support and fully describe in their minutes.

1. Coventry Local Meeting support Jo Hallett in her project of many years: **Let's Read Ghana**. At present she has launched an appeal to fund the scheme for another year.
2. Stourbridge Local Meeting support **Journeyman Theatre** formed by Lynn and Dave Morris, which has a growing number of projects able to tour throughout the UK.

We agree in principle to support these two requests for funding and pass them to Trustees Finance Committee for consideration in the budget planning process for 2020.

## 2019.096 Charities of Susanna Cole & Others Report

We have received the annual report of the charity for the year ending December 2018. The Trust provides ongoing or one-off grants to members and attenders of our area meeting in need of financial support for a variety of reasons.

The trustees are keen to receive more applications and will soon be circulating an updated explanatory leaflet to LMs for the use of overseers and applicants. It is particularly hoped that younger people could be helped with educational needs, vocational training or when starting work or setting up in business.

## 2019.097 Quaker Witness at DSEI Arms Fair

Two Friends from our area meeting who were present at the No Faith in War protest in September describe their experiences in the attached reflections and we heard from Jo Hallett (COV) and Helen Rowlands (COT) who also attended.

A number of mini-banners made by Coventry Friends were sewn together and were on display at the protest, as pictured in the photograph. The Peace Museum in Bradford asked to borrow the banner for an exhibition, since when the Friends concerned have agreed to donate it.

We commend those Friends who set up the Roots of Resistance initiative for their inspiring organisation of the event and support for those who took part.

## **2019.098 Meeting for Sufferings Report**

We have received a report of the Meeting for Sufferings held at Woodbrooke from 4th-6th October 2019 from our representative Cathy Khurana. She highlights the fact that having a weekend together, with a variety of activities on offer, made this meeting a very different experience from the normal business, allowing participants to engage at a deeper level.

We note with regard to safeguarding that Central England is one of six area meetings contributing to an investigation into child protection for the Independent Inquiry into Child Sexual Abuse. In order to provide the information requested, it may be necessary to amend our policies and practices and our safeguarding officers are putting strategies in place to address this.

The activities very much involved outreach into the local community, celebrating our Quaker history and engaging with current Quaker concerns.
