# Quaker Week 2023

'Simple, Spiritual. Radical.'

Dear Friend,

We now have new outreach resources available to order through our Quaker Week campaign for this year: **'Simple. Radical. Spiritual.'**

This was developed in collaboration with Quakers in Wales. The image shows some of the resources that can now be ordered via the order form on [our outreach page](#). The campaign is intended to intrigue people who can then use the QR code on the leaflets and poster to reach our website and find out more about Quakers.

We have a new poster and flyer, a badge, tote bag and t-shirts available. During August, Quaker Week T-shirts and tote bags will be available to order free of charge. Numbers are limited, and after Quaker Week these items will be available for sale through the Quaker bookshop.
