A Governors' Conference to look at Quaker Education

**A Weekend for Quakers who are either school Governors,
thinking of becoming one, or just interested in
Quaker Education**

27-29 September 2024

Scarman Centre, Warwick University

If you are a Governor of a state school (or if you are interested in becoming one at a Quaker or state school) you are warmly invited to attend all or part of the Conference. The Conference is also for non-Quaker Governors of Friends' Schools.

This is an opportunity for all who share a passion for education to discuss and explore issues we have in common and to discuss what sets a Quaker education apart.

Keynote Speaker – Paul Parker, Recording Clerk, Quakers in Britain

The main sessions of the conference are focused around:

- **What is a Quaker education?**
- **How do you create a Quaker education?**
- **What makes it distinctive?**
- **How is it relevant to the 21st century?**
- **How do you successfully position a Quaker school/education?**
- **Do we need a new umbrella body for Quaker education?**

The conference is enabled by FSC (Friends Schools Council) – www.aquakereducation.co.uk and QVinE (Quaker Values in Education) – www.qvine.org.uk

Limited number of places and bursaries remaining
